

Wildcats - Licence forms and guidance documents

If you can't find the relevant forms or guidance below for what you want to do, please see our [wildcats and licensing](#) or [protected species](#) pages for further information on what needs a licence and how to apply.

Licence returns

If there isn't a return form below for your licence, please email licensing@nature.scot with the information as requested on the conditions of your licence.

Licence amendments and renewals

If you wish to amend or renew an existing or expired licence, please email licensing@nature.scot with the changes to be made or details of the renewal, quoting the licence number. Please ensure that you have provided any required licence return before requesting a licence renewal.
