

Agricultural land which lies within areas of high goose use and supports a suitable crop as follows:

Criterion	Zone	South Walls
Goose use	Feeding zone	Known feeding zones*
	Buffer zone	
Crop	Feeding zone	Productive grassland
	Buffer zone	First-year grassland reseed adjacent to feeding area entered into the Scheme

* The eligibility criteria for feeding and buffer areas in South Walls are not based on goose density but on known feeding locations based on the historical goose usage data.
