Q6. 1) Does the 2017 draft guidance provide a clear explanation of the methodology and general principles for assessing the impact of development proposals on Wild Land Areas

Yes

**Comments/explanations:**

The guidance is in accessible language with a lack of technical terms. The information is balanced and logical.

Q7. 2) Are the examples within Annex 2 helpful in illustrating the approach to assessing impacts?

Yes

**Comments/explanations:**

Q7. 2) Are the examples within Annex 2 helpful in illustrating the approach to assessing impacts?

In fact they may be too helpful and widely drafted. Most developers will want to really force the boundaries and given an inch will take a mile. It may be better to make the assessment a bit tighter.
