

General Licences

GL 10/2019: To keep certain captive-bred live birds in show cages for training purposes

General Licences allow authorised people to carry out activities that would otherwise be illegal under the Wildlife & Countryside Act 1981 (as amended). They cover situations where we accept that there may be no other satisfactory solution. However, they should only be used as a last resort. Operators must be able to explain what other alternatives they have tried if challenged.
