

General Licences

GL 14/2020: To use certain traps to kill stoats for the conservation of wild birds or for prevention of serious damage to livestock.

General Licences allow authorised people to carry out activities that would otherwise be illegal under the Wildlife & Countryside Act 1981 (as amended).

Terms and conditions

If you operate under General Licence 14/2020 you must meet the following terms and conditions otherwise your actions may constitute an offence which could lead to prosecution.

What can this General Licence be used for?	Authorised persons (trap operators) can carry out the following activities for the purpose of conserving wild birds and/or prevention of serious damage to livestock: <ul style="list-style-type: none">• to use traps to kill certain wild mammals listed below
Who is an authorised person?	An authorised person is the owner or occupier of the land on which the action will be carried out, or any person nominated by the owner or occupier of that land.
When and where is this General Licence valid?	Across Scotland from 1 April to 31 December 2020
What restrictions apply to the use of this General Licence?	This General Licence cannot be used by those convicted of a wildlife crime on or after 1 January 2015 unless, in respect of that offence, they are a rehabilitated person (for the purposes of the Rehabilitation of Offenders Act 1974 and that conviction is spent), or a court discharged them absolutely. Any person not able to use the General Licence can still apply to NatureScot for an individual licence. Email: Licensing@nature.scot

Definitions

For the purposes of this General Licence;

“wildlife crime” means any offence under the Wildlife & Countryside Act 1981, the Conservation (Natural Habitats &c.) Regulations 1994, the Protection of Badgers Act 1992, the Protection of Wild Mammals (Scotland) Act 2002, Deer (Scotland) Act 1996, Agriculture (Scotland) Act 1948, the Animal Health & Welfare (Scotland) Act 2006, the Protection of Animals (Scotland) Act 1912 and the Wild Mammals (Protection) Act 1996 (all as amended).

“wild bird” means any bird of a species which is ordinarily resident in or is a visitor to any member State or the European territory of any member State in a wild state but does not include poultry. "Bird" includes all stages from egg to adult.

“livestock” means any animal which is kept—

- (a) for the provision of food, wool, skins or fur;
- (b) for the purpose of its use in the carrying on of any agricultural activity; or
- (c) for the provision or improvement of shooting or fishing

“NatureScot” means Scottish Natural Heritage acting under its operating name NatureScot
