

General Licences

GL 05/2020: To keep disabled, wild-bred Schedule 4 birds for rehabilitation

General Licences allow authorised people to carry out activities that would otherwise be illegal under the Wildlife & Countryside Act 1981 (as amended). They cover situations where we are satisfied that there is no other satisfactory solution in respect of the species to which they relate and the circumstances in which the licensed action may be taken.

Terms and conditions
