

Origami Fish

Here's a quick guide on how to make your own origami fish in just 3 steps!

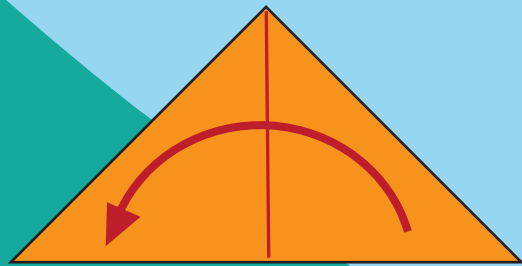

What you will need:

- A square piece of paper or card
- Some coloured pens to decorate

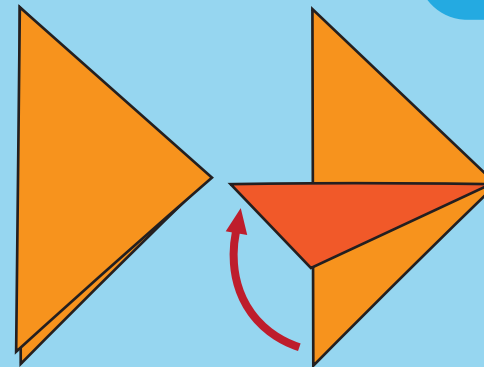

That's all! Follow the steps below!

Step 1 : Fold the square piece of paper in half as shown above to create a triangle.

Step 2: Fold the triangle in half to create a smaller triangle like above!

Step 3: fold one corner flap upwards as shown above and turn over.

And you're done!

Decorate your paper fish however you like!
