

**CREAG MEAGAI DH SITE OF SPECIAL SCIENTIFIC INTEREST  
OPERATIONS REQUIRING CONSENT FROM SCOTTISH NATURAL HERITAGE**

If you propose to carry out, or permit to be carried out, any of the operations listed below, you must first obtain consent from SNH unless a local authority has granted you planning permission (under Part III of the Town and Country Planning (Scotland) Act 1997) or a designated regulatory authority has given you written permission (under s.15 of the Nature Conservation (Scotland) Act 2004). If you have such a permission you may proceed without obtaining consent from SNH for the same operation.

*Standard. Type of Operation  
Ref. No*

- |            |   |
|------------|---|
| <b>2</b>   | Grazing and changes to grazing management (including the introduction/re-introduction, changes to stock numbers, types and dates, or cessation).  |
| <b>3</b>   | Stock feeding and changes to stock feeding practices. The introduction of stock feeding (including the introduction, re-introduction and changes to the type and location).                                 |
| <b>6</b>   | Application of herbicides (weedkillers).  |
| <b>8</b>   | Burning except muirburn carried out in accordance with "The Muirburn Code" (SEERAD 2001 or later edition).  |
| <b>11</b>  | The destruction, displacement, removal or cutting of any plant or plant remains, including tree, shrub, herb, dead or decaying wood, moss, lichen, fungus, leaf-mould and turf.                             |
| <b>12</b>  | Tree and/or woodland management <sup>1</sup> (specifically afforestation and planting).   |
| <b>13a</b> | Drainage (including moor-gripping, the use of mole, tile, tunnel or other artificial drains).   |
| <b>13b</b> | Modification of the structure of water courses (e.g. rivers, streams, springs, ditches, drains), including their banks and beds, as by re-alignment, regrading and dredging.                                |
| <b>15</b>  | Infilling of ditches, drains, ponds, pools, marshes or pits.  |
| <b>20</b>  | Extraction of minerals including peat, topsoil, sub-soil and limestone.   |
| <b>21</b>  | Construction, removal or destruction of roads, tracks, walls, fences, hardstands, banks, ditches or other earthworks, or the laying, maintenance or removal of pipelines and cables, above or below ground. |
| <b>24</b>  | Modification of natural or man-made features including clearance of boulders, large stones, loose rock or scree and battering, buttressing or grading rock-faces and cuttings.                              |
| <b>26</b>  | Use of vehicles or craft except on existing tracks.   |

**28** Game or deer management and hunting practice and changes in game or deer management and hunting practice.

**Notes**

1. "Woodland management" includes afforestation, planting, clear and selective felling, thinning, coppicing, modification of the stand or underwood, changes in species composition, cessation of management.
